## THE AITO QUALITY CHARTER

AITO is an association of independently-minded companies specialising in particular areas or types of holiday and sharing a common dedication to high standards of quality and personal service. AITO defines 'quality' as 'providing a level of satisfaction which, based upon the holiday information provided by the tour operator, aims to meet or exceed a customer's reasonable expectations, regardless of the type of holiday sold or the price paid.'

### HOLIDAYS WITH 100% FINANCIAL PROTECTION

#### THIS IS HOW WE AIM TO ACHIEVE IT:

##### ACCURATE BROCHURES

AITO members ensure that their brochures clearly and accurately describe the holidays and services offered.

##### PRODUCT IMPROVEMENTS

AITO members listen to their customers and welcome suggestions for improving standards. All customers receive a post-holiday questionnaire.

##### PROFESSIONAL SERVICE

AITO members are committed to high standards of personal service, maintained by the thorough training of employees.

##### FINANCIAL SECURITY

AITO takes care to ensure that all members comply with current UK Government Regulations regarding the protection of clients' money.

##### EXCLUSIVE MEMBERSHIP

AITO has strict membership criteria which must be satisfied before new companies are allowed to join. All members must adhere to a rigorous Code of Business Practice which governs their operational conduct.

##### ENVIRONMENTAL ISSUES

AITO is committed to raising the level of environmental awareness within the industry.

In the unlikely event that a dispute between an AITO member and customer cannot be resolved amicably, AITO's low-cost Independent Dispute Settlement Service may be called upon by either side to bring the matter to a speedy and acceptable conclusion.
