## Flotilla sailing holidays in the sunny Greek Islands

### WHAT'S IT ALL ABOUT?

To be able to meander around the islands of Greece under sail is a rare pleasure that we are proud to offer.

Experienced sailors have the opportunity to simply relax, or spend some time introducing family and friends to their passion.

Sail from port to port, stopping for lunch in beautiful bays along the way, before making the most of the afternoon breeze and sailing to your evening destination. Our flotillas are one of the most enjoyable holidays available to people looking for a sailing holiday in the sun.

### HOW MUCH EXPERIENCE IS REQUIRED?

A practical and positive attitude is the key! Every year we take thousands of people to the Greek Islands... many have been with us numerous times, and for others it's an annual event.

To sail on a flotilla one member of your crew will need to hold a sailing certificate. This can be either an RYA Day Skipper, an International Certificate of Competence (ICC), or an equivalent sailing certificate from another official body. Two people on board need to be aged 18 or over.

Some may prefer to do an RYA Day Skipper Sailing Course which you can do in the sunny Greek Islands with us over a week or so. This involves more of a learning process for less experienced people.

Each flotilla of nine to eleven yachts is accompanied by a fully crewed lead yacht offering local knowledge, informative briefings, assistance and unobtrusive back-up when required. You will be shown how to work all aspects of the yacht including the anchor, the sails, and how to turn on the all-important engine!

We try to make your first day's sail as gentle as possible and will usually only cover 10 to 12 miles. Your lead crew will usually be at your destination before the rest of the flotilla, in order to take your lines on the quay when you arrive.

Most evenings you will be moored in a small village or town where there is a relaxed environment on shore. One evening is usually set aside for an informal and nowadays socially distanced get together.

There is no way the simple written word will convey the very special atmosphere of a flotilla sailing holiday. Your mind will be on being there and trying new things you cannot do at home. For many, these holidays are a revelation.

## FLOTILLA ROUTES

### PAXOS (ONE WEEK FLOTILLA)

A highlight of this flotilla is a morning spent in Vromi Bay (Emerald Bay) on Antipaxos Island for a lazy lunch and swim before the afternoon breeze arrives. This flotilla sailing area is largely sheltered by Corfu and Paxos Islands.

### HIGHLIGHTS OF THE SOUTH IONIAN (ONE WEEK FLOTILLA)

Our flotilla is designed to encompass the best of this fantastic sailing area. For those who have sailed in the South Ionian before, this flotilla is the perfect way to explore a little further afield whilst still visiting old favourites. To name just a few of the islands in this area: Kefalonia, Ithaka, Kalamos, Kastos and Meganisi

### CORFU HALF TERM (ONE WEEK FLOTILLA)

This one week flotilla takes place during the Autumn half term holiday. The waters in between Corfu and the mainland are usually calm and sheltered as you are in the lee of the islands but still with good wind in the afternoon, and little swell.

### WHOLE IONIAN (TWO WEEK FLOTILLA)

The Whole Ionian - our flagship flotilla route - covers slightly more miles than the introductory flotillas with one or two longer days. It visits a selection of our favourite stops in both the North and the South Ionian as well as the best bits in between. This is a one way route and gets booked up quickly!

### SOUTH IONIAN (TWO WEEK FLOTILLA)

Our two week South Ionian flotilla explores all the best of this amazing sailing area. You will sail further afield and visit bays and harbours which are a little more off the beaten track.

### FARAWAY ISLANDS (TWO WEEK FLOTILLA)

Not many yachts venture north of Corfu so this area is quite special. Nights under the incredibly vibrant stars can be almost as light as daytime.

All three of the islands feature beautiful sandy beaches. Flotillas often spend a night at anchor in Port Timoni and a night in spectacular Paleokastritsa.

### SARONIC ISLANDS (TWO WEEK FLOTILLA)

Our ever popular Saronic flotilla aims to cover a few more miles. The flotilla starts and finishes in the coastal town of Astrous. You will most likely sail south first (weather dependent) to give you the best chance of experiencing the stunning Monemvasia.

### SPORADES ISLANDS (TWO WEEK FLOTILLA)

Our Sporades flotilla is our most open water flotilla, renowned for excellent winds with flat seas due to the shelter offered by the islands. This route allows you to really get away from it all as you will likely spend a few nights anchored in bays!

### DELIVERY FLOTILLAS

Our yachts are wintered in Gouvia Marina, on Corfu Island. At the end of April/beginning of May all yachts are sailed to their summer bases in the Ionian, Sporades or the Saronics and at the end of October they are sailed back to Corfu.

These delivery routes offer a fantastic opportunity to explore a wider area, and cover more miles. They also offer some of the best sailing.

# BOOKING CONDITIONS

All bookings are subject to our full booking conditions which appear on our website [www.sailingholidays.com/flozilla-booking-conditions](http://www.sailingholidays.com/flozilla-booking-conditions). A copy of these can also be e-mailed or posted to you on request. By asking us to make your booking, you confirm you have had access to and agree to the full booking conditions which you should read.

The booking conditions provide for the payment of cancellation charges if you cancel or fail to make payment when due. They also include limitations and exclusions of our liability to you. For international travel by air, sea or rail, our liabilities are limited and excluded as if we were a carrier within the applicable international convention or EU regulation (for example, the Montreal Convention, the EC Regulation on Air Carrier Liability and the Athens Convention). A surcharge may be payable in limited circumstances where certain costs increase after booking.

Your contract will be with Sailing Holidays Ltd, 105-107 Mount Pleasant Road, London, NW10 3EH. For all bookings a binding contract between you and the Company only comes into existence when the Company despatches its written confirmation of the booking to you.

We hold an Air Travel Organiser's Licence issued by the Civil Aviation Authority (ATOL number 2580). When you buy an ATOL protected flight or flight inclusive holiday\* from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder.

However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme.

You agree that in return for such a payment or benefit, you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent or your credit card issuer where applicable.

You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme. \*The flights and flight-inclusive holidays we arrange are ATOL protected providing they are made available in the UK. For further information visit the ATOL website at [www.atol.org.uk](http://www.atol.org.uk).

British citizens require a British passport in order to travel to the destinations we feature. This usually takes approximately 2 to 6 weeks to obtain unless you are over 16 and haven't held a passport previously in which case you need to allow at least 6 weeks. Current visa and compulsory health requirements (if any) for British citizens with a British passport are available upon request.

The Foreign and Commonwealth Office publishes regularly updated travel information on its website [www.fco.gov.uk/knowbeforeyougo](http://www.fco.gov.uk/knowbeforeyougo) which you are recommended to consult before booking and in good time before departure.

In the event of any flight delay or cancellation at your UK or overseas point of departure, the airline is responsible for providing such assistance as is legally required by the Denied Boarding Regulations. Except where otherwise stated in our brochure or on our website, we regret we cannot provide any assistance in such circumstances other than information and advice to the extent we are in a position to do so.

The information contained in our brochure is believed correct to the best of our knowledge at the time of printing or publication. However, errors may occasionally occur and information may subsequently change. You must therefore ensure you check all details of your chosen tour (including the price) with us at the time of booking.

Sailing Holidays Ltd. takes the security of its data extremely seriously. Our Privacy Policy explains how we use and store personal information we collect about you while you use this website, request marketing materials or book a holiday with us. Under GDPR we are a Data Controller. A Copy of this privacy policy, which sets out how we collect and use your data, is available on our website.

In order to process your booking, send you a brochure or respond to an enquiry, we need to collect personal data from you. We will only process personal data as set out within the privacy policy (as amended or added to) or otherwise notified to or agreed by you or as we are otherwise permitted to do so in accordance with the GDPR regulations.

Should you or any member of your party need to cancel your holiday once it has been confirmed, the party leader must immediately advise us in writing. Your notice of cancellation will only be effective when it is received in writing by us at our offices. As we incur costs from the time we confirm your booking, the following cancellation charges will be payable. Where the cancellation charge is shown as a percentage, this is calculated on the basis of the total cost payable, excluding insurance premiums and amendment charges. Insurance premiums and amendment charges are not refundable in the event of cancellation.

## Period before departure within which written notification of cancellation is received by us:

## Cancellation charge:

Up to 56 days before departure	Loss of deposit
55 to 42 days before departure	30% or loss of deposit whichever is the
greater	
41 days to 22 days	50% (of holiday cost)
21 days to day of departure	100% (of holiday cost)

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned. Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you accordingly.

For the purpose of yacht charter in Greece we act as agents for Ionian Marine Holidays Ltd and Sailing Holidays Greece who are our official Greek end operations owners and operators.

## HOLIDAY/TRAVEL INSURANCE

Everybody should have their own personal holiday insurance. Whichever one you choose should be appropriate for sailing in coastal waters of the Mediterranean and your own personal circumstances. Please put holiday/travel insurance in place at the time of booking as it will also cover your deposit and holiday payment.

## AITO QUALITY CHARTER

AITO is the Association for independent and specialist holiday companies. Our member companies, usually owner-managed, strive to create overseas holidays with high levels of professionalism and a shared concern for quality and personal service. The Association encourages the highest standards in all aspects of tour operating.

### Exclusive Membership

AITO sets criteria regarding ownership, finance and quality which must be satisfied before new companies are admitted to membership. All members are required to adhere to a Code of Business Practice which encourages high operational standards and conduct.

### Financial Security

An AITO member is required to arrange financial protection for all holidays and other arrangements (including accommodation only) booked by customers with the member under the AITO logo. This financial protection applies to customers who are resident in the UK at the time of booking and to most overseas customers who have booked directly with the member. In doing so, the member must comply with UK Government regulations. Members are required to submit details of their financial protection arrangements to AITO on a regular basis.

### Accurate brochures and websites

All members do their utmost to ensure that all their brochures and other publications, print or electronic, clearly and accurately describe the holidays and services offered.

Professional service and continual improvements  
All members are committed to high standards of service and believe in regular and thorough training of employees. Members continually seek to review and improve their holidays. They listen to their customers and always welcome suggestions for improving standards.

### Monitoring standards

AITO endeavours to monitor quality standards regularly. All customers should receive a post-holiday questionnaire from their tour operator, the results of which are scrutinised by the Association. In addition, customers can leave detailed feedback, accessible from the homepage of this website, or via a direct link supplied by their AITO tour operator, about their holiday.

### Sustainable tourism

Our members acknowledge the importance of AITOs Sustainable Tourism ethos, which recognises the social, economic and environmental responsibilities of tour operating.

### Customer relations

All members endeavour to deal swiftly and fairly with any issues their customers may raise. In the unlikely event that a dispute between an AITO member and a customer cannot be settled amicably, either party can call on an arbitration service to bring the matter to a speedy and acceptable conclusion.
